<p>Name and short description of the company</p>	<p>Temasek is a global investment company headquartered in Singapore. We are a generational investor, seeking to make a difference always with tomorrow in mind. We are committed to our mission to generate sustainable returns beyond our present generation, and are guided by the principles of our Temasek Charter.</p> <p>We have a long term investment horizon and because we invest off our own balance sheet, we are not constrained by ‘fund life’. As an owner investor, we are mostly invested in equities but do not set limits for geographies, sectors, or asset classes. Our investment activities are guided by four investment themes and the long term trends they represent.</p> <p>Our global portfolio spans a broad spectrum of industries: financial services; telecommunications, media & technology; consumer & real estate; transportation & industrials; as well as life sciences & agri-food.</p>
