

iThenticate e-Guide: Access iThenticate Originality Checking Tool

iThenticate is a subscription-based originality checking tool available in NTULearn. Faculty, research staff and graduates can sign up and login to iThenticate via NTULearn to check the originality of their dissertations, thesis papers, publications against the current and archived internet pages, periodicals, journals and publications in the iThenticate repositories.

The screenshot displays the iThenticate interface within NTULearn. On the left, there is a banner with the iThenticate logo and a description: "iThenticate is a subscription-based originality checking tool available in NTULearn. NTU faculty, research staff and graduates can sign up for an iThenticate account via NTULearn." On the right, a navigation menu includes "iThenticate Account Creation and Login (For Faculty, Staff, Post Graduates and Res..." and "iThenticate e-Guide List". A red circle with the number 2 points to the "iThenticate e-Guide List" link. Below this, a "Login" form is visible with fields for "Email" and "Password", a "Remember me (optional)" checkbox, and a "Login" button. A red circle with the number 5 points to the "Login" button. A "Forgot password" link is also present. A "Sign Up" link is located at the bottom right of the form. A "Action Successful" notification box is overlaid on the page, containing the text: "Your iThenticate Account is created. Please check your email. Thursday, June 30, 2022 1:50:22 PM SGT". A red circle with the number 3 points to this notification box. A "Steps" section is located at the bottom left of the screenshot.

1. Log in to NTULearn and scroll down the Institution Page to locate the **iThenticate module**.
2. Click the **iThenticate Account Creation and Login** link in the module. Do take note that students **SHOULD NEVER** click on "Sign Up".
3. If this is the first time you are accessing iThenticate, an iThenticate Account will be created for you automatically.
4. An account activation email from Support@iThenticate.com will be sent to you for you to activate your account and set your Password.
5. Subsequently, you can access iThenticate via NTULearn using your NTU email address (@ntu.edu.sg, @nie.edu.sg) and the Password you set.

Note:

Students are advised to test their access to iThenticate in advance to ensure that there is sufficient time for troubleshooting if there is any technical issues. For any queries regarding iThenticate and/or Turnitin Draft Coach, please email [Service Desk](#) or log a ticket at [ServiceNOW](#)
